

Privacy Policy

Apps developed by Justin Yates are committed to providing quality services to you and this policy outlines our ongoing obligations to you in respect of how we manage your Personal Information.

What is Personal Information and why do we collect it?

Personal Information is information or an opinion that identifies an individual. Examples of Personal Information we collect include: names, addresses, email addresses, phone and facsimile numbers.

This Personal Information is obtained when using Arms Dealer. We collect your Personal Information for the primary purpose of serving adverts through the Admob platform which is used to fund the development of the game. We **do not** sell or distribute your personal information in any other way.

We also ask you for a name to display your score on the Arms Dealer leader board which does not need to be your actual name, any alias/gamer name is acceptable. This leader board is hosted securely on Azure.

Policy Updates

This Policy may change from time to time and is available on our website.
